

If you would like to visit an older adult, please call us. We offer flexible schedules and compensation.

## Worried about leaving your family member alone?

*We can help give you peace of mind*

EAC Network's In-Home Respite provides a caring and trusted companion to stay with a family member –for brief periods – when you can't be there. The scheduled weekly visit will allow your loved one to socialize with a new friend while you get some time to yourself.

### We Offer:

- Reliable companions with detailed background checks
- Once-a-week visits up to 6 hours
- In-home assessment by Registered Nurse
- Monitoring and support by professional staff

**Eligibility- Nassau resident caring for an adult over 60**
