

TOSS YOUR BOSS

Over the EDGE for EAC Network!

EXTREME

Looking for a way to boost employee morale? Want to show staff you'll go above and beyond for them? Willing to go Over the Edge... for a "price"?!

If you want to offer your employees the most exciting team building experience, you've got to be brave enough to go Over the Edge... a 170-foot rappel down the Tower at Nassau Community College on July 1, 2017 for charity!

Set your corporate fundraising goal at a minimum of \$10,000 (or higher if you want to have a greater impact or have a lesser chance of having to go Over the Edge!) and tell your staff **if and *only if* they raise that amount, they'll be able to watch you go Over the Edge!**

Make it competitive amongst departments, locations, branches, and even clients or vendors, and see how much your company can raise to help local Long Island children who are in foster care or who have been abused, struggling families and seniors, and people dealing with substance abuse or mental health issues through EAC Network.

Companies that complete fundraising for Toss Your Boss EXTREME will also receive sponsorship perks, including sponsor recognition on signage and the event webpage, a vendor promo table, 20 guests at the VIP Chicken Coop, and a personalized press release! Think about the headline, "[YOUR COMPANY] SENDS ITS [EXEC] OVER THE EDGE BY RAISING \$10/\$20/\$50,000 FOR LOCAL CHARITY!"

Register your company today! Contact Alena Jones now at (516) 539-0150 x117 or alena.jones@eac-network.org.

Visit www.eac-network.org/overtheedge for more event information.
