

TOSS YOUR BOSS Over the EDGE for EAC Network!

Has your boss ever pushed you over the edge? Now's your chance to return the favor! Rally your coworkers to raise \$2,500 to **Toss Your Boss** Over the Edge for EAC Network and he or she will have to rappel 170 feet down the Tower at Nassau Community College for charity on July 1, 2017!

But beware! If your boss makes a matching \$2,500 donation (corporate or personal), they can choose one of YOU to go Over the Edge in his or her place!

All money raised will benefit EAC Network, a local Long Island non-profit organization, to help children who are in foster care or who have been abused, struggling families and seniors, and people dealing with substance abuse or mental health issues.

Companies that complete fundraising for Toss Your Boss will also receive sponsorship perks, including sponsor recognition on signage and the event webpage, a vendor promo table, and 10 guests at the VIP Chicken Coop!

Register your boss today! Contact Alena Jones now at alena.jones@eac-network.org or (516) 539-0150 x117.

Visit www.eac-network.org/overtheedge for more event information.
