EAC Network is taking fundraising to new heights! You too can take your support of EAC Network and our Long Island community to a new level by sponsoring Over the Edge... an exciting, high-profile, and exclusive event that can generate \$250,000 in media exposure for your business. Don't miss this opportunity!

The 70,000+ people EAC Network serves have faced fear and obstacles that most of us can't ever imagine. But they're able to take the brave step every day to face their fears and overcome their hurdles.

We're asking our community to find their own courage and support our neighbors by taking the step to go Over the Edge and rappel down the Tower at Nassau Community College!

While 92 adventure-seekers will be fundraising for our cause and rappelling 170 feet, sponsors will be businesses that recognize Over the Edge as the most unique charitable sponsorship opportunity of 2017.

Within this document are detailed sponsor levels ranging from hosting a vendor promotional table at the event, to exclusive opportunities that offer immense exposure.

Join us on July 1, 2017 at Nassau Community College!
