COMMUNITY SUPPORT

... taken to new heights.

IT'S ONCE-IN-A-LIFETIME.

Few events present this kind of thrilling, once-in-a-lifetime opportunity for sponsors and participants to partner together in raising awareness and support for a great cause.

Over the Edge for EAC Network is just that! Imagine a fundraising event that allows supporters to rappel down a 170-foot building set in a completely safe outdoor environment!

The Over The Edge event team of experts are certified professionals who provide all the necessary technical expertise, training, and equipment

needed to assist "Edgers" the entire way down.

Take the lead today and take part of this exciting event. Whether you yourself are thirteen stories up atop Nassau Community College's Tower Building, or sponsoring someone else to be an event "Edger," let our community's most vulnerable neighbors know just how far you are willing to go to help them!

WHO CAN GO OVER THE EDGE?

- Anyone who has the moxie and can raise (or sponsor) a minimum of \$1,000.
- Anyone who is among the first 92 people who are first to register and meet the \$1,000 goal.
- Anyone who is 110-300 pounds and over 13 years-of-age. Event participants who under 18 years of age must have permission from their parent or legal guardian present at the event. Event participants who require disability equipment must not exceed 300 pounds between the individual and the equipment.

SPONSORSHIP OPPORTUNITIES

The 82,000 children, families, and seniors EAC Network serves face fear and obstacles that most of us can't ever imagine. Yet they take brave steps every day to face their fears and overcome their hurdles.

We're asking our community to find their own courage and take the step

Over the Edge to help our neighbors.

While 92 adventure-seekers fundraise for our cause and rappel 170 feet, **SPONSORS** recognize Over the Edge as the most unique and advantageous charitable sponsorship opportunity of 2018.
